Nina Venezia - The Alchemy of Wellness – The new Natural Formulation collection

Nina Venezia presents the new Hygiene and
Beauty collection for dogs and cats.

This collection combines the values of eco-sustainability, with the use of
100% recyclable products and made with the highest energy saving
parameters, with the values of the natural product.

The Alchemy of Wellness is the result of the new research,
which requested more than a year, of the new formulations, in addition
to the production of even higher quality than in the past.
All made in Italy.
